

Attached hereto is a marked-up version of the changes made to the claims by the current amendment. The attached page is captioned "Version with markings to show changes made."

Also attached hereto is a copy of a Form 609D paper that was filed in the above-referenced application prior to Applicant's receipt of the Notice. Applicant respectfully requests the Examiner to initial this paper and return them with the response to this RCE.

It is submitted that the foregoing remarks place the case in condition for allowance. A notice to that effect is earnestly solicited.

Respectfully submitted,

By: _____

Version with markings to show changes made.

The following amendments were made:

IN THE SPECIFICATION:

Page 4, lines 10 – 15 was amended as follows:

Example 2

Subjects suffering from phonophobia due to a migraine were either given a placebo or treated with 200 or 400 milligrams of ibuprofen in tablet form. Periodic assessments of their [photophobia] phonophobia were made and the results are presented in Figure 2. The results indicate that at time of two hours or longer the treatment of [photophobia] phonophobia with ibuprofen was effective in relieving [photophobia] phonophobia.

IN THE CLAIMS:

The following claims were added:

- 31(New) The method of claim 1 wherein photophobia associated with migraine is treated.- -
- - 32. (New) The method of claim 4 wherein phonophobia associated with migraine is treated.- -
